

Adding in Walk-Downs

What is a “walk-down”

A walk down is a series of notes/chords played between one main chord to another main chord lower on the keyboard. This example will start on “C” and walking down to “G”. For now, the right hand will repeat the chord name during the left hand walk down.

Our “C” to “G” walk down will be taking us from the FIRST note of the scale down to the FIFTH note of the scale.

C Major Scale: C D E F G A B C D E F G A B C
1 2 3 4 5 6 7 1 2 3 4 5 6 7 1

Normally we would play the following with both our right and left hand: C C C C G G G G

A walk down would look like this: (C C) C C G G G G (CHORDS)
(C C) C Bb A Ab G G G G (SINGLE NOTES)

We notate a walk-down like this: 

Walk-down Exercises
