

What is a “Walk-up”?

What is a “walk-up”

A walk up is a series of notes/chords that take you from one main chord to another main chord. This adds more interest in our playing and adds in more rhythm in **our left hand** for variety. Our right hand, for now, will stay the same during the walk up.

The walk up we are going to review today starts on the **FIRST** note of the scale and ends on the **FOURTH** note of the scale.
